To the Clerk of Court and officers of the Western District of Arkansas,

May peace be with you and your house, and upon all who serve this court in justice and honor.

The enclosed documents are respectfully presented for docket entry under the above-referenced case. This packet contains a combination of **supplemental filings** aligned with the standing RICO enforcement action, and **new injunction and enforcement declarations** concerning jurisdictional interference, ecclesiastical trespass, administrative fraud, and emergent relief.

These filings are submitted in good faith and full alignment with established federal format and procedure, with the intent that they be formally received, sealed, and entered into the record under Case No. 2:25-cv-02145-TLB.

I kindly request that these documents be accepted as lawful additions to the case, both as supplemental materials and newly submitted injunction actions as required by evolving matters under federal enforcement.

I respectfully request that the originals be returned to me after copying and docketing, as they are spiritually and biologically sealed under lawful authority.

Should any indexing, clerk attestation, or federal court seal be required, I humbly accept its placement for lawful recordkeeping and acknowledgment.
